

Right Honourable Justin Trudeau

I do not support a ban on handguns and semi-automatic firearms. I am a law-abiding citizen. The criminals, gang members and terrorists have total disregard for the law. They should be your priority.

I have a few questions that I would like you to answer:

- 1) Why are you not posing very strict mandatory sentencing on criminals using firearms while committing crimes?
- 2) How will a ban on handguns and semi-automatic firearms end shootings in Canada?
- 3) Are you fundamentally opposed to ownership of firearms by private citizens?

I look forward to your response.
